

A Resolution Denouncing the Council on American-Islamic Relations

NOW, THEREFORE, BE IT RESOLVED, that we, Red River County Executive Committee call upon all elected officials in Texas and the United States – sworn to uphold the Texas and U.S. Constitutions – and hereby called upon to:

1. **Immediately suspend all contact and outreach activities with CAIR and its affiliates**, including partnerships with schools, police departments, city councils, and government agencies; and
2. **Publicly denounce CAIR's anti-constitutional agenda**, its documented terrorist affiliations, and its efforts to undermine American values, laws, and civic institutions; and
3. **Take all appropriate legal and legislative actions to prevent CAIR's ideological infiltrations into Texas public life.**

BE IT FINALLY RESOLVED, that failure by elected officials to oppose CAIR's documented threat to constitutional governance constitutes a betrayal of their oath of office and the public trust – and the People of Texas will hold them accountable for protecting the liberties, safety, and republican form of government guaranteed by the Constitutions of Texas and the United States.
